

Bethel Township Comprehensive Land Use Plan

Steering Committee Minutes

1-25-10

Members Present: Doug Stagge, Neal Sonnanstine, Bob Hephner, Jess Underwood, Phil Watson, Bob Lawson, Todd McKinney, Polly Turner, Josh Mihelcic, Marty Lange, Ray Gunn, Dave Fisher, Todd Koewler, Tina Roberts. Andy Ehrhart and Jerry Hirt represented staff for Bethel Township.

The steering committee meeting began at 6:00 pm. Introductions were made and officer nominations were taken. Mr. Dave Fisher was nominated and approved to chair the committee and Mr. Ray Gun was nominated and approved to vice-chair the committee.

Staff was represented by Mr. Andy Ehrhart. Mr. Ehrhart explained the planning process and the types of land use the committee would be looking at. There was general discussion land use from the committee and it was decided that basic land uses will be used for the purposes of forming the map and text for the Bethel Township Comprehensive Land Use Plan. It was decided that "homework" be given out to the committee. This consisted of a blank map to be given out to neighbors and residents of the township in order to get a feel for what the community would like to see (and where) for land use.
